### BERTOIA CHAIRS – INFORMATION AND ORDERING INSTRUCTIONS:

Seat and back units (welded steel wire) are available in three finishes: Black Finish – shown in column A, White Fused Plastic Finish – shown in column B, Polished Chrome Finish – shown in column C.

Bases (welded steel rod) for chairs in columns A and B are furnished with black finish. White fused plastic finish and glides are available at the following additional cost:

#420	\$6.00	#422	\$ 8.00	#424	\$6.00	#426	\$4.50
#421	6.00	#423	10.00	#425	4.50	#427	6.00

Upholstery fabrics are listed on the page below and are given the following code letters: Elastic Naugahyde N – Brigadoon B.

The symbol N.A. indicates the model is not available in that particular finish or fabric. When ordering please specify the model number, metal finish and fabric number and if desired the optional white plastic finish for base units. Our Order Confirmation to you will be coded by the model number followed by two suffix letters: the first of which indicates the metal finish column; the second the fabric code.

BERTOIA CHAIRS			A Steel wire seat and back unit on steel rod base. Black finish.				B Steel wire seats and back unit with white fused plastic finish. Steel rod base with black finish.				C Steel wire seat and back unit on steel rod base. Polished chrome finish.
